

What will PartnerOne Contractors Pollution do for an agency?

PartnerOne Contractors Pollution helps an agency broaden coverage for existing clients in an affordable manner.

It will help an agency attract and write new opportunities due to the breadth of coverage it can offer.

It allows an agency to demonstrate its professionalism to the client by addressing difficult exposures with a valuable and important product.

By writing additional coverages, PartnerOne Contractors Pollution helps an agency write accounts that will be difficult for competitors to take away.

It helps an agency fulfill its ultimate goal of providing ALL clients access to high quality, effective coverage, in a very simple and streamlined manner.

PartnerOne Contractors Pollution

What is PartnerOne Contractors Pollution?

- PartnerOne Contractors Pollution is a monoline Contractors Pollution Liability form offered through the PartnerOne Environmental program from Beacon Hill Associates. It provides coverage for pollution claims arising from an Insured's covered and completed operations.
- PartnerOne Contractors Pollution targets small to middle market environmental AND non-environmental contractors, including fire and water restoration contractors.
- PartnerOne Contractors Pollution coverage is offered by carriers rated "A" or better.
- Available product enhancements include: Blanket Additional Insured where contractually required, Waiver of Subrogation, Natural Resources Damage, Transportation Pollution Liability, Mold coverage, and Third Party Environmental Impairment Liability for the Insured's owned/leased premises.

Why is PartnerOne Contractors Pollution important?

- Because PartnerOne Contractors Pollution is rated, quoted, bound, and issued via Beacon Hill's in-house PartnerOne Environmental program department, enabling us to offer fast turnarounds and excellent service.
- Because claims caused by a pollution condition arising from the Insured's covered operations may not be covered via the Insured's General Liability form.
- Because small to middle market contractors deserve quality policy forms and endorsements.
- Because coverage through the PartnerOne Contractors Pollution program starts at \$2,500 plus applicable taxes and fees.

Target Risks Include, but are Not Limited to:

- General Contractors
- HVAC/Mechanical Contractors
- Utility Contractors
- Electrical Contractors
- Restoration Contractors
- Plumbing Contractors
- Roofing Contractors
- Sewer/Septic Contractors
